

# What do others say about it?

'The Marriage Course  
actually saved our  
marriage' Gill & Peter

'It took our marriage to another  
level - another level of togetherness,  
another level of communication. And  
we started to laugh again.'

Eric & June

'Some people wrongly think The Marriage Course  
is just for people who are in difficulty with their  
marriage. We have found the opposite - it's  
about investing in it because it's going well and  
you want it to stay that way.' Ju & Chris

## Why do the course?

The greatest achievements in life take practice, training and dedication. It is the same with marriage. A strong, loving and lifelong relationship doesn't happen by chance. It takes effort and dedication to keep the fun and romance alive. We can all learn how to make even the happiest marriage better.

How to build a healthy relationship that lasts a lifetime

**What is The Marriage Course?** The Marriage Course is very practical, giving any committed couple the tools to build a strong and healthy relationship that lasts a lifetime.

Over seven evenings couples talk (privately) about important issues that can get swept under the carpet in the rush of daily life.

**Topics Covered Include:** recognising each other's needs, learning to communicate effectively, resolving conflict, healing past hurt, knowing how to make each other feel loved, relating to parents and in-laws, good sex, making time for each other and having fun together. Privacy as a couple is always respected. There is never any group work and you will never be asked to share anything about your relationship with anyone other than your partner.

**What's Involved?** Each evening there is a talk on a different topic. The talk is followed by an opportunity to discuss the topic together as a couple. It is set in a fantastic candlelit atmosphere where you will both be served a delicious supper of dessert, coffee, tea or a cold drink whilst taking the course.

**Who Is It For?** The Marriage Course is for any committed couple who want to build a strong and lasting relationship, especially for those:

- who want to enhance their marriage (WOF).
- at a challenging stage in their marriage e.g. the birth of a child, a career change, teenagers at home, the 'empty nest'.
- struggling with issues in their marriage.

**What Will It Cost?** The Cost of the course is \$100 per couple which covers all course materials and the yummy suppers.
