

Welcome to Hutt City Salvation Army

Hi everyone,

It's great to greet you through this Newsletter. Glenda and I have entered the life of Hutt City full of anticipation for God to do great things among us. This is a very busy Church with so much happening. The most important focus of this Church must be... our love for God and our love for people. To love God passionately and to love people generously and without discrimination. This is our call for you in 2019.

We look forward to serving with you. Please don't hesitate in these days of transition to speak to us about anything which you believe is missing. You will understand in change things can be missed. Please don't hesitate to speak with Leadership if you are noticing things which should be happening.

May God bless you abundantly in these days.
